

# INSTRUCTION MANUAL

## 7-INCH TFT LCD SUN-VISOR MONITOR

### Notice to Customers

- This unit is manufactured with precision elements.
- Pay attention to protection against dampness.
- Prevent the hard object from scratching LCD surface.
- HIGH VOLTAGE INSIDE! Non-technical authorized person is not allowed to dismantle the unit.
- LCD may have a few color dots, which is common for the matrix display technology, and doesn't indicate defects or fault.
